- ____ I agree to abide by the policies of the outside institution. There may be different class policies that students will be required to abide by and Fellowship has no jurisdiction in the process.
- ____ I agree to take any placement exams required by specific departments at FCS to advance the student in the next course progression.
- ____ I agree to submit a final, official transcript to the Academic Counselor by the 1st day of the next school semester after completing the course.
- ____ I understand that FCS reports semester grades therefore outside grades are reported as semester grades unless an institution only provides one final grade.
- ____ I understand that FCS holds the rights to not award credit and/or to not allow me to progress on to the next level course if any of these policies are not followed.
- ____ I understand that a C average (or 70% or higher) must be achieved by the end of the course to be accepted by Fellowship Christian School and credited toward graduation.
- ____ I understand that Fellowship Christian School recommends families choose a Christian, Biblical worldview-based academic setting. If the above institution is a secular environment, we are encouraged to supplement the learning environment with open dialogue and prayer. In addition, coursework from a secular learning environment will require an assessment that demonstrates biblical worldview integration in order to earn FCS credit.
- ____ I understand and agree to the full non-FCS coursework policy which mandates full-time student status, adhering to the FCS daily academic schedule, taking 6 credit bearing courses (or 5 for seniors), and explains that credit will only be awarded after these stipulations have been met.

I have read the above statements and agree to them as a condition for earning the non-FCS credit listed above.
Both signatures required.
